REQUIRED PPE FOR DRILL PARTICIPANTS (MUST BRING WITH YOU):

All Drill Participants: SCBA

Operations Level Drill Participants: Turnout Gear or Level B, plus a material/cotton-type glove & chemical gloves. TRANSCAER will provide cotton gloves and chemical gloves onsite for the drill.

Technician Level Drill Participants: Level A or Encapsulated Level B + plus a material/cotton-type glove & chemical gloves. You can utilize Level A suits that are expired or did not pass pressure test at this drill. LION MT94 suits are allowed. No Level A training suits are allowed (these are the suits that are specifically marked training use only).

All PPE will be subject to pre-evolution inspection to ensure the safety of all participants.

Note: All participants are required to bring their own PPE to the drill. Prince William County Fire Department and TRANSCAER will not be providing PPE for the drill.
